How a PMO Health Check works

One programme. Five working days after documents arrive.

What we need from you

Your status pack, RAID log, governance calendar and plan, plus three short interviews.

The five working days

Day 1	Documents arrive; the three interviews are booked
Days 2 to 3	Evidence review and the three short interviews
Day 4	Scorecard, top findings and the 30-day fix plan written
Day 5	45-minute readout

What you get

The PMO Health Scorecard filled in with evidence, the top findings, a 30-day fix plan and a 45-minute readout.

Price

£395, paid in full on signature. Credited in full against the Audit if the Audit is signed within 60 days. If you cancel, the fee is not returned.

Prices exclude any taxes that may apply.

Confidentiality

Under a written data-handling policy. Evidence is shared under NDA, stored encrypted in a dedicated engagement workspace with access limited to the founder, and deleted within 30 days of the final readout unless you ask us to keep it.
